

Covid-19 Policy.

- A full Covid-19 risk assessment has been carried out for the venues that we use and will be updated a minimum of 48 hours before every camp.
- Netball daft and all it's partners are committed to ensuring the safest environment for all netball activities and fully comply with all Government and NGB advice.
- All balls and equipment are sanitised regularly with appropriate antibacterial products during sessions and as a minimum after every day of camp that they are used.
- Bibs are washed after every camp and sprayed with disinfectant after every use
- Hand sanitiser is available throughout our camps and we take regular breaks to ensure that participants use it regularly. We encourage the use of hand sanitiser at the start and end of each session.
- We encourage social distancing wherever possible and ask that on drop off and collection you ensure you keep your distance form others.
- If your child shows any symptoms prior to attending one of our events we would kindly ask that you do not allow them to attend the camps and let us know.
- We comply fully with the NHS track and trace programme.
- We will be playing to England Netball Modified rules and all participants will be coached in these during the camp and especially during match play.
- If you have any concerns or questions around our Covid-19 policies and procedures we encourage you to speak with us on the day of camp or email netballdaft@gmail.com
